

MONROE

New Hampshire

Annual Report OF THE TOWN OFFICERS

For the Year Ending
December 31

1998

ANNUAL REPORT
OF THE
OFFICERS
OF THE
TOWN OF MONROE
FOR THE YEAR ENDING
DECEMBER 31, 1998

DEDICATION

ELWYN MOORE GIBSON JUNE 23, 1923---MAY 01, 1998

This annual report for the Town of Monroe is being dedicated to Elwyn M. Gibson.

Elwyn was born in Monroe on June 23, 1923 and was one of five children born to Frank and Jennie Gibson. Elwyn grew up on the farm his parents owned and when they retired from farming, Elwyn took over the farm.

On September 12, 1953, he married Theresa Pratt, the daughter of Joseph and Madeline Pratt who also were Monroe residents. Elwyn and Becky raised a family of 6 children, Karen, Cynthia, Diane, Paul, Douglas, and Peter, and eleven grandchildren were born into the Gibson family.

Elwyn was a graduate of McIndoe Academy. He was a member of the Monroe Grange. He was a horseshoe player and belonged to the Horseshoe Club. When McClure Band started playing again, Elwyn got his drum out and joined the other members in playing. He was dedicated to this and only a field of dry hay that had to go in kept Elwyn from playing his drum for the band. He is greatly missed in the band.

Elwyn served as a Selectmen for the Town of Monroe from 1970-1985. He always was interested and concerned about town affairs. He returned to the Town Hall many time to discuss town affairs.

Guess it wouldn't be appropriate to do a dedication to Elwyn without mentioning his many trips across the river to the gathering at Webster's Store. In the morning you could almost set your clock as he came down the Plains Road and down over the hill to go and visit and gather the news with his friends and neighbors.

Many stories could be told and no one better to tell a story than Elwyn and these stories and memories are now what we have to remember Elwyn by.

***A SPECIAL THANK YOU
TO OUR NEIGHBORHOOD
VOLUNTEERS***

The Board Of Selectmen would like to take this opportunity to extend a big thank you to the Volunteers in our town who give many, many hours of their time and efforts to make our town a better place to live. Without our Volunteers, many of our programs and services would not be available. As we go ahead into 1999, we would like to encourage everyone to think about volunteering for some community service - it's a great way to get to know your neighbors and help out your town!

BOARD OF SELECTMEN

Richard Cinnamond
Robert Wormer
Donna Mitton

		KERMIT WARD	2
		P.J. BLANCHARD	3
		MERLE JONES	1
		MARY STANTON	1
		GORDON WARD	1
		HAROLD WHIPPLE	1

Moderator Leslie Morrison read the results, declaring the winners.

ARTICLE 2. To see if the Town will vote to discontinue the plowing of driveways. (Majority Vote Required) Lothar Riba asked if the Selectmen could please explain the money impact of the sale of New England Power on the Town before we dealt with this article? Richard Cinnamond answered that the \$58 Million assessment would stay in place for the next five years. Motion made by Keith Merchand to accept as written, seconded by Gerry LaFlamme. No discussion. Moderator instructed the voters; Yes to stop the plowing No to continue. Voice vote was indecisive. Han vote required, Yes: 48 No: 98. Article defeated.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of twenty two thousand dollars (\$22,000.00) for the purpose of purchasing land for an access road to the proposed building site for the

fire station and town garage. The Selectmen and Budget Committee recommend this appropriation. Motion made by Merle Jones, seconded by Tom Bedell. Discussion: David Cowans inquired as to where the land was? Richard Cinnamond and Gerry LaFlamme gave an explanation of where the land was and why it was necessary. No more discussion. Voice vote in the affirmative. Motion passes, article passed.

ARTICLE 4. To see if the Town will vote to create an expendable general Trust Fund under the provisions of RSA 31:19-a, to be known as the Monroe Water Department Maintenance Fund for the purposes of repairing and maintaining the Monroe Water Department storage tank, to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be placed in this fund and to designate the Selectmen as agents to expend said Fund.

(Majority Vote Required) The Selectmen and Budget Committee recommend this appropriation. Motion made by Richard Cinnamond, seconded by P.J. Blanchard. Discussion held; voters were instructed to see Town report for the correct wording. William Gilson asked if the Town had checked into forming a Water Precinct? Robert Wormer answered, "Yes, we've also looked into raising the water rates, but can't do that until the State of New Hampshire says that the water is safe. More discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be added to the Fire Truck Capital Reserve Fund previously established. (Majority Vote Required) The Selectmen and Budget Committee recommend this appropriation. Motion made by Larkin Burrill, seconded by Merle Jones. No discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be added to the Highway Department Truck Capital Reserve Fund previously established. (Majority Vote Required) The Selectmen & Budget Committee recommend this appropriation. Motion made by Kevin Eckerman, seconded by Merle Jones. No discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 7. To see if the town will vote to raise and appropriate the sum of \$47,108.00 for the purchase of a Highway Department Dump Truck with said funds to come from Capital Reserve funds previously established. The Selectmen recommend this appropriation. Motion made by Kevin Eckerman, seconded by Tom Bedell. Richard Cinnamond gave the explanation that the money is already in the Capital Reserve Fund, we are not raising it, it is already there. Discussion held. Gerry LaFlamme commented that the Budget Committee had suggested that we wait until next year to replace this truck. Dick Cinnamond responded that years ago, Bernie Bradshaw suggested that we set up a schedule on truck and equipment replacement, the town is trying to stay on that schedule. Voice vote was indecisive, hand vote held: Yes=75 No=51. Motion passes, article passed.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be added to the Municipal Highway and Fire Department Building Capital Reserve Fund previously established. (Majority Vote Required) The Selectmen and Budget Committee recommend this appropriation. Motion made by Merle Jones, seconded by P.J. Blanchard. No discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 9. Shall the Town of Monroe purchase the Grange Hall Building from the State Grange for the price of one dollar, for the purpose of using said building as an historic museum to serve as the historical centerpiece of Monroe and to house antique items of interest to Monroe? Such purchase must also include funds necessary to obtain a clear title (about \$2,750), and additional funds (\$5,500.) to repoint the single exterior chimney and repaint the exterior walls and metal roof their current colors. The Selectmen & Budget Committee do not recommend this appropriation. Motion made by Charles Hammer, seconded by Lyle Lang.

An explanation was given by Dr. Hammer. The Grange has not functioned in Monroe and for over two years the purchase of the building has been discussed and researched. Gerry LaFlamme inquired about Handicap accessibility and toilets. Dr. Hammer replied that a ramp to the porch was all that was required and they planned to have PotaPtties available. The building would be used in the summer so that heat was not an issue. The actual operating budget should be very low. Merle Jones asked if anyone had looked into the possibilities available if a private organization were to run this instead of the Town doing it? Voice vote held, Indecisive. Hand vote held. Yes=63 No=62. Hand vote challenged from the floor. Paper secret ballot required. Yes=68 No=80. this article is defeated.

ARTICLE 10. If the Town of Monroe votes to purchase said Grange Hall Building, shall a so called "Museum Committee" of volunteers, all Monroe residents, be authorized to form and oversee the development and use of said building. Motion made by Merle Jones to Pass Over this article, seconded by Dick Cinnamond. Voice vote in the affirmative, article is passed over.

ARTICLE 11. To see if the town will install a new street light at the end of Tyler Drive - Hartwell. Motion made by Sally Dimick to Pass Over, seconded by Edith Anne Emery. Voice vote in the affirmative, article is passed over.

ARTICLE 12. To see if the town will install a new street light at the end of Judy Lane - Toney. Motion made by Sally Dimick to Pass Over, seconded by Gillian Morrison. Second is withdrawn by Ms. Morrison, she was seconding a motion made by another person...that motion was not recognized by the moderator, because Ms. Dimicks was recognized first. A second made by Edith Anne Emery to the original motion to Pass Over the article. Larkin Burrill made the motion to reconsider, seconded by Bill Gilson. Voice vote was indecisive, and disputed by Gillian Morrison. Hand vote called for: Yes=64 No=34 The original article is passed over.

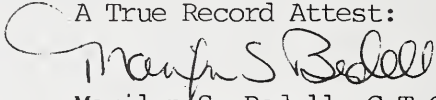

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be added to the Town History Fund previously established. (Majority Vote Required) The Selectmen & Budget Committee recommend this appropriation. Motion made by Lothar Riba, seconded by Merle Jones. No discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 14. To hear all reports of committees and Officers heretofore chosen and pass any vote relating thereto. Motion made by Larkin Burrill, seconded by Tom Bedell. Keith Merchand asked, "In all the reports printed, why was there not a letter of request from Cottage Hospital for the \$1,500. that they were given? Did they request it or not?" The Selectmen did not know. Mr. Merchand stated that he would like an answer. No more discussion. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 15. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same. This money includes all warrant articles. Motion made by Richard Cinnamond to raise the sum of \$669,436.54 (article#9 has been subtracted from that amount already), seconded by Robert Wormer. Gerry LaFlamme made the motion to ammend to deduct \$13,714.40...as reflected in the Budget Committee's suggested cuts (in middle of Town Report, on yellow sheet) plus the \$1500.00 given to the Cottage Hospital, seconded by Lathar Riba. An explanation was given by Richard Cinnamond af why that amount of money. Lothar Riba explained why the Budget Committee made the cuts they did. Cathy Thomas, a Library Trustee, explained that part of the Library budget increase was to give the Librarian and Assistant Librarian a raise. Ammendment to the article is voted on, the no's have it, the ammendment is defeated. The original article amount of \$669,436.54 is voted on. Voice vote in the affirmative, motion passes, article passed.

ARTICLE 16. To transact any other business that may legally come before said meeting. Donna Mitton asked that Delta Merchand please come up front. She then presented Delta with a bouquet of flowers to thank her for her years of service to the Town. The Selectmen also , earlier in the evening, took a bouquet to Helen Clement to thank her for 35 years of service to the town. Motion made to adjourn by Merle Jones, seconded by Tom Bedell. Voice vote in the affirmative, meeting adjourned at 10:43P.M.

TOWN CLERK HOURS:

MONDAYS: 8:30 A.M. - 12 NOON & 4:00 P.M. - 6:00 P.M.

TUESDAYS: 6:00 P.M. - 9:00 P.M.

FRIDAYS: 8:30 A.M. - 12 NOON

ALSO BY APPOINTMENT

My hours have changed due to my "other" job that has me on the road traveling three days a week, but I am home each evening and if anyone needs a registration done, please feel free to call me at home and I will do my best to accommodate their needs and I am now available on Saturday mornings if need arises.

The Town of Monroe has had four very successful years of offering a Rabies Clinic in co-operation with Dr. Jill Skochdopole of the Ryegate Small Animal Clinic. We will be offering this service again this Spring. We will have a date set by Town Meeting day, please watch for posters and/or advertisements as to which Saturday morning in March or April we will be holding this clinic.

FRANCIS J. DINEEN & CO.

CERTIFIED PUBLIC ACCOUNTANTS

TRANSMITTAL AND COMMENTARY LETTER

Board of Selectmen
Town of Monroe
Monroe, New Hampshire 03771

Members of the Board:

In planning and performing our audit of the financial statements of the Town of Monroe, New Hampshire for the year ended December 31, 1997 we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit we became aware of the following conditions that should be corrected in order to strengthen internal controls and operating efficiency. This letter does not affect our report dated July 21, 1998 on the financial statements of the Town of Monroe, New Hampshire.

Our following remarks are being made in the hope that they will improve existing procedures and are in no way a criticism of Town personnel.

1. Cash Receipts

Differences were noted in the classification of cash receipts between the Selectmen, Treasurer, and the Tax Collector.

Recommendation

All miscellaneous Town receipts should be received and recorded by the Administrative Assistant then turned over to the Treasurer and a reconciliation of cash receipts should be done on a regular basis between all departments.

2. Trust Funds

In the report to the State of New Hampshire by the Trustees of Trust Funds, the balance in the Buffum Fund misstated principal (the balance should be \$46,000) and omitted the bank stock owned by the Trust.

Recommendation

The Trustees' report should include all assets of the Trust Funds and the balance in principal should reflect the value of the original stock put into the Trust.

3. Tax Collector

1997 information was not reported to the State on the correct form and several errors were noted in the manner in which information was presented.

Recommendation

The Tax Collector should complete form MS-61 annually and submit it to the State.

Recommendation number 3 was also made in the audit of year ended December 31, 1996.

We extend our thanks to the officials and employees of the Town for their assistance during the course of our audit.

Very truly yours,

Francis J. Dineen, CPA

RECEIPTS
FOR THE YEAR ENDED DECEMBER 31, 1998

LIBRARIAN'S REPORT

Have you read The Horse Whisperer, Memoirs Of A Geisha, The 9 Steps To Financial Freedom, A Walk In The Woods? These and many other best selling fiction and non-fiction books are available here, at your library! If we do not have the book you are looking for, we can try to obtain it through the interlibrary loan system.

We have a Story Time on Monday mornings from 9:00 to 10:00 for youngsters between the ages of three and six. The children listen to stories and create a take-home craft. If you are interested, please call or stop by the library.

The theme for the 1998 summer reading program was "Live Free and Read in New Hampshire." Activities included reading stories, nature crafts, games and a scavenger hunt. We also had a speaker from the Fairbanks Museum who led an interesting discussion concerning owls. Thank you children, parents and volunteers for making this program so much fun!

The theme for the 1999 summer reading program is "Once upon a summer reading..." We welcome all children who have attended school for at least one year. Please make this a part of your summer schedule. We encourage children to read by offering incentives (books, small prizes, certificates of completion) so that children will find reading to be an enjoyable pursuit rather than just a school requirement.

We had a YA (Young Adult) Café series during the summer. Sixth, seventh and eighth graders were invited to come to the library to talk about books, watch a movie and enjoy refreshments. I would like to thank Amanda Cobb and Steven Frost for conducting such lively discussions! We hope to open the YA Café again this summer.

For your convenience, I am including the hours that the library is open. Please stop by!

Respectfully submitted,

Bev Everett
Librarian

LIBRARY HOURS:

MONDAY	-	10:00	-	12:00	
TUESDAY	-	9:30	-	12:00	1:00 - 5:00
WEDNESDAY	-	6:00	-	8:30	
THURSDAY	-	2:00	-	5:00	
SATURDAY	-	9:00	-	12:00	

ANNUAL REPORT OF THE
MONROE POLICE DEPARTMENT FOR 1998

	<u>1997</u>	<u>1998</u>
Complaints	321	410
Dog Complaints	42	39
Thefts-Burglaries	8	3
Summons Issued	27	34
Warnings	141	191
Domestic Disturbances	2	1
ATV Complaints	6	4
Accidents	8	7
Arrests	1	1
Missing Persons	2	1
Lifeline Calls	7	6
Burglar Alarm Activations	5	4
Assisted Other Departments	3	4

Due to the recent theft of a pickup truck from Monroe, I have been asked to remind residents to remove their keys and lock the doors of their vehicles while parked. This should be done regardless of the time of day.

It would also be a good habit to lock your residence when you leave.

RESPECTFULLT SUBMITTED,

MAYNARD FARR,
POLICE CHIEF

**ANNUAL REPORT FOR MONROE
VOLUNTEER FIRE DEPARTMENT FOR 1998**

During 1998 Monroe Volunteer Fire Department responded to the following calls:

Chimney Fires	2
Missing Children	1
Wires Down	3
Fire Alarm Activations	2
Motor Vehicle Accidents	4
Tractor Fires	1
Smoke Investigations	3
Carbon Monoxide Investigations	4
Mutual Aid:	
Barnet	7
Bath	1
Littleton	2
Ryegate	1
Waterford	2

As I have stated in the past, the Monroe Fire Department is looking for new members. If you are new in town and would be interested in becoming a volunteer "Fire Person" or F.A.S.T. Squad member, please contact me.

RESPECTFULLY SUBMITTED,

**MAYNARD FARR
FIRE CHIEF**

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the state. Your local fire warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas and throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

1998 FIRE STATISTICS

(All Fires Reported thru December 23, 1998)

FIRES REPORTED BY COUNTY		CAUSES OF FIRES REPORTED

Annual Report of the Monroe *F.A.S.T.* Squad

01/01/98 - 12/31/98

The Monroe *F.A.S.T.* Squad responded to 22 calls in 1998, which can be broken down into the following categories:

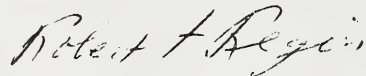

- 11 - Medical Emergencies
- 4 - Trauma
- 6 - Motor Vehicle Accidents
- 1 - Assist to Fire Department

There are currently 6 EMT's on active call with the *F.A.S.T.* Squad. All six have just completed the National Registry practical examination as required for renewal of our 2-year provider licenses. As always, we welcome anyone interested in becoming EMT's and joining our group. Please contact any squad member for information.

This year, we'll focus our fund raising efforts toward the purchase of a new (to us) rescue vehicle. Our ambulance has had a history of electrical and mechanical problems and becomes less dependable over time. We intend to raise \$10,000 through our normal fun raising events for this purpose.

We'd like to thank the community for its continued support of the *F.A.S.T.* Squad throughout the year.

Respectfully submitted,

Robert T. Regis, *Squad Chief*

Selectmen,
Town of Monroe
Monroe, New Hampshire

January 6, 1999

Dear Selectmen,

Once again we present our financial report for the past year and budget report for the new year. If you compare our 1999 budget with our 1998 actual expenses and budget, the most notable increases are in the insurance and payroll lines. The payroll for 1998 was below projections due to the resignation of our fine director Mrs. Sue Prentiss. We are about to hire a new Director and also plan a 3% cost of living increase for some employees. We have also been advised that as part of the Balanced Budget Act of 1997, there will be a reduction of income from the Medicare Part B/Medicaid Crossover claims that we presently collect on about 100 cases annually. As a result, we are pushed to adjust our per capita rate to maintain a break even status.

Our per capita rate for 1999 will be \$11.00 compared to \$10.40 in 1998. Your annual assessment for 1999 will be **\$8,338** based on a population of 758 provided by the state of NH today. We have no reason to expect any changes in the payment guarantee amount for 1999.

As always, we appreciate the support given this operation by our member towns. We strive to provide the best care reasonable and welcome your questions or comments.

Sincerely,

Richard Guý,
Commissioner/Interim Director

MONROE BUILDING COMMITTEE TOWN OF MONROE

This report has been prepared to inform the residents of the Town of Monroe of the progress made by the Town of Monroe Building Committee during 1998.

Committee members met ten times during 1998 plus made site visits to Ryegate, Danville, and Dalton. Slow but steady progress is being made with much work still to be done. The committee focused on the following elements of the project:

Site Development

Thanks to the voters' support at the 1998 Town Meeting the town acquired the Moore-Holcomb lot and now has direct access to Route 135. An application for a driveway permit was filed with and approved by the State of New Hampshire Highway Department. The State Highway Department also provided the town with access road design plans and specifications. Current plans are to construct the access road during 1999 using town equipment and personnel. This road will be constructed on the southerly edge of the property.

The Committee believes the access road should be constructed prior to the start of the logging operations and site clearing. The Committee also recommends that the logging operation be conducted in late 1999. The Committee Chairman will request the assistance of the County Extension Forester to prepare the timber harvesting plan. A warrant article should be placed before the 1999 Town Meeting to authorize the harvesting of timber and add the proceeds to the Building Capital Reserve Fund.

Building Design

The Committee spent a considerable amount of time reviewing the Highway and Fire Department and FAST Squad current and future space needs and developing conceptual building designs to meet these needs. The State of New Hampshire Highway Department continues to have an interest in leasing space either for equipment and/or for salt and sand; however, no firm commitments for their participation have been made. The Committee expects to have a decision made about the State Highway Department in 1999.

Current conceptual plans are to construct a Highway Department garage of 4,000 - 5,000 square feet (3-4 bays) and Fire Station/Rescue Squad facility of about 4,000 square feet (4bays). These preliminary space requirements need further evaluation, particularly if the State Highway Department does not need building space. The final space recommendation, preliminary building designs and cost estimates will be developed in 1999.

Professional Services

The Committee spent a significant amount of time evaluating alternatives for the development of building plans and construction contract administration. The Committee recommends that a professional architectural/engineering firm be retained to

Building Committee Report--continued

to provide planning assistance, cost estimating services, and the development of contract documents (building plans) suitable for competitive bidding by building contractors. The Building Committee received proposals for architectural/engineering services from five firms. The Committee recommends that funds be approved at the 1999 Town Meeting to allow us to retain one of these firms to develop plans during 1999.

I am pleased to advise the voters that the St. Johnsbury Academy Technical Services Department has agreed to participate in the construction of our building. This is very welcome news since their involvement will mean considerable cost savings in the construction phase by providing student labor during their training and by providing construction management expertise in managing subcontractors during construction. The Technical Services Department will use the building plans prepared by the architect/engineers to build the building and to obtain subcontractor bids for those portions they are not qualified to build.

I am also pleased to advise the voters that the University of New Hampshire Civil Engineering Department has agreed to assist us in the development of building plans. While these students cannot complete the detailed engineering plans that are required nor are they licensed engineers, it is anticipated that their efforts will also significantly reduce the cost of engineering services.

Revised Schedule

While the involvement of the St. Johnsbury Academy Technical Services Department in the construction of our building will result in significant construction cost savings and will provide a unique technical training experience for the students, our original projected project completion date of December 31, 2000, will be impacted. A revised project completion date of June 30, 2001, is necessary to provide a full school year for the student involvement. A majority of the Committee felt the delay of six months was fully warranted to realize significant cost savings.

Public Information Meeting

It is anticipated that engaging an architectural/engineering firm by April 1, 1999, will allow us to develop preliminary building design plans and develop cost estimates by the early fall of 1999. At that time the Building Committee will conduct a public information meeting to present initial plans, cost estimates and proposed construction schedules. At the present time it is expected that voters will be asked at the Town Meeting in the year 2000 to approve funding for the construction of the building.

Other Issues

The Building Committee recommends continued funding of the Town Building Capital Reserve Fund at the same dollar amount (\$20,000.00) as in past years. A Town Meeting Warrant Article for this purpose should be prepared.

Building Committee Report---continued

The Committee members continue to show a strong interest in the project and continue to contribute in a positive manner. As Chairman, I would like to thank the committee members for the continued support.

Respectfully Submitted,

BRUCE CRAIG
CHAIRMAN
TOWN OF MONROE BUILDING COMMITTEE

Swiftwater Road, P.O. Box 2001, Woodsville, New Hampshire 03785-2001 • 603-747-2761

February 4, 1999

Board of Selectmen
Town of Monroe - PO Box 63
Monroe, NH 03771

Dear Members of the Board:

Cottage Hospital is pleased to report another year of financial growth for Fiscal Year 1997-98. This success is due in part to good business management, growth in utilization of hospital services, and the financial support we have received from many in our communities.

Cottage Hospital staff members strive to provide the highest quality and most personal care available. The increase in growth shows that our efforts are being recognized and appreciated by our patients, and that more people in our communities are using Cottage Hospital.

We are extremely grateful for the financial support our area towns have provided over the years. Although funds are always needed at Cottage Hospital, we know there are many other worthy organizations also asking for money this year. Therefore, the Cottage Hospital Board of Trustees has decided NOT to ask the town of Monroe for financial support in 1999, for the fifth consecutive year.

We want to thank the residents of Monroe for their support and let you know that we will continue to find ways to serve you better. Increasing services and improving what we already have available is part of our ongoing commitment to you. From our mission statement:

“The hospital will pay particular interest to the health status and needs of its communities, and will provide health services leadership for its communities.”

We will appreciate your including this message in your Annual Report, and we will forward you our 1998 Annual Report as soon as it is printed.

With best wishes for a healthy year,

Reginald J. Lavoie
Administrator

REPORT OF THE TOWNS AND CITIES IN DISTRICT ONE

By Councilor Ray Burton

As one of your elected officials, I am honored to report to you as a member of the New Hampshire Executive Council. This five member elected body acts much like a board of directors of your New Hampshire State Government in the Executive Branch.

In my twentieth year representing this District with 98 towns and four cities, there are many changes I've seen and been a part of in the past. My focus in this report to you is toward the future and some suggestions on how you as citizens might be encouraged to participate in the future.

The following are some ideas and suggestions. The Governor and Council have a constitutional and lawful duty to fill dozens of boards and commissions with volunteer citizens. If you are interested in serving on one or more of these volunteer posts, please send your resume at the State House and I'll see that it is passed on to Kathy Goode, Governor Shaheen's liaison to the Executive Council, or you may wish to send them directly to the Governor's Office, State House, 107 North Main Street, Concord, NH 03301.

Other resources available to your town/city/county include 10 million dollars (\$10,000,000) through the Community Development Block Grant program at the **Office of State Planning**. Call Jeff Taylor at 271-2155 to see if your town or area qualifies.

Annually there is available some 10 million dollars (\$10,000,000) available through the **New Hampshire Attorney General's Office** for innovative programs for drug and law enforcement, stress programs dealing with youth at risk, assistance to victims, and special programs for victims of domestic violence. For information call Mark Thompson at 271-3658.

Communities may request assistance through the **NH National Guard Army**, General John Blair's Office, for services such as a Drug Detection Dog, Community Presentations on Drug Demand Education and Career Direction Workshops. Telephone number is 225-1200.

The **Office of Emergency Management** at telephone number 1-800-852-3792 is the proper call when an emergency develops in your area such as floods, high winds, oil spills and ice jams.

State and Federal Surplus items may be purchased at minimum cost. Call Art Haeussler at 271-2602 for a list and newsletter.

In **New Hampshire Correctional Industries**, there are many products and services of use to towns, cities and counties such as street signs, vehicle decals, printing, car repair, furniture and data entry services, including web page development, call Peter McDonald at 271-1875.

People and businesses looking for work - vocational rehabilitation, job training programs should call **NH Employment Security** at 1-800-852-3400.

NH Department of Environmental Services has available 20% grants for water/waste water projects and landfill closure projects, revolving loans for water/waste water and landfill closure, and also money for Household Waste Collection days call 271-2905. State Revolving Loans has available around 35 to 50 million dollars (\$35,000,000 to \$50,000,000) per year. For information call 271-3505.

Oil Funds - There are five petroleum funds which cover: oil spill cleanup and emergency response; reimbursement for cleanup by owners of: motor fuel underground and above ground tanks; heating oil facilities (primary home owners): and, motor oil storage facilities (service stations and automobile dealers). For information call 271-3644. Further, there is a municipal grant fund for construction of used oil collection facilities and operator training. For information call 271-2942.

Household Hazardous Waste Collection Days - Annual grants to cities and towns for collection of household hazardous waste provide dollar for dollar matching funds up to a total of 50% of the costs incurred. For further information call 271-2047.

NH Health & Human Services Department has numerous divisions, providing a variety of services and assistance... mental health, public health, children and youth, etc. All of these may be obtained by calling 1-800-852-3345.

All of your New Hampshire State Government can be accessed by the general phone number at 271-1110 and through the State Webster Internet <http://www.state.nh.us>. Your New Hampshire Government is at your service, please call my office anytime I can be of help. (271-3632 and e-mail: rburton@gov.state.nh.us).

Town of Monroe
Monroe, NH 03771

Tri-County Community Action Program is a private, non-profit agency which is requesting, at your 1999 Town Meeting, 1,100 in funding to support its Community Contact Division. Community Contact has provided services for 20 Monroe citizens, processed 11 fuel assistance applications, 6 being elderly and 4 being handicapped and provided 87 other Community Action Program services.

**Tri-County Community Action has spent \$4,736.00 on
Monroe citizens between July 1, 1997 and June 30, 1998.**

Community Contact provides necessary services for the less fortunate citizens in our communities. We are depending upon funding from your town and neighboring communities county-wide. The local funds are combined with the Community Services Block Grant, Fuel Assistance and NH Emergency Shelter Grant, Homeless Programs and FEMA. We also are the conduit through which the USDA Surplus Food gets distributed to the food pantries throughout Grafton County to serve our residents.

We have greatly appreciated the support and cooperation of the Town of Monroe in the past and look forward to continuing our partnership to provide essential services to your residents.

Please feel free to call me at 444-6653 if you should have any questions.

Very truly yours,

A handwritten signature in cursive script that reads "Cecilia Vistica".

Cecilia Vistica
Grafton Community Contact Manager

American Red Cross

October 1, 1998

BOARD OF SELECTMEN
TOWN OF MONROE
PO BOX 63
MONROE, NH 03771

Dear Friends,

Every day, the American Red Cross stands ready to serve those in need because "help can't wait." For the residents of your community, the Greater White Mountain Chapter responds when fires, ice storms or other disasters strike. As in years past, we are grateful to towns such as yours that provide financial support to the Red Cross.

I write to you today, on behalf of our clients, Board of Directors, volunteers, and staff, to respectfully request consideration for a Red Cross appropriation in your 1999 Annual Town Budget. Funding would support services provided by our chapter to the residents of your town. We are requesting support at the rate of \$.40 (forty cents) per resident. We have not increased this request since 1992, even though the cost of our services continues to rise.

The mission of the Red Cross is to help people prevent, prepare for, and respond to emergencies. Responding to emergencies includes providing disaster relief services, and Red Cross volunteers are trained to coordinate and provide for the basic human needs of disaster victims, 24 hours a day, 365 days a year.

This direct emergency assistance includes vouchers for food, clothing, medicine, emergency shelter, emergency home repairs, and basic household necessities; thorough damage assessments and building repair estimates; and emergency mental health counseling. In addition, Red Cross disaster volunteers work as the liaison between and among other non-profit human service organizations on behalf of disaster victims to coordinate other identified needs such as fuel assistance, emergency care for pets, donations of needed goods and services, pre-disaster needs, etc. All direct assistance from the Red Cross is based on verified, disaster-caused needs. **We never send a bill for these services -- ever -- no matter how costly, or how long we must stay on the scene of a disaster.**

The Red Cross also serves as the official communication link between active members of the military and their families, relaying urgent messages regarding birth, death, and serious illness. This service is also provided 24 hours a day, 365 days a year, around the world, without the benefit of any federal or state government funding.

Preparing for emergencies is also a vital part of the Red Cross mission, and one we provide through various health and safety courses, including first aid, CPR, lifeguard training, water safety, swimming lessons, and HIV/AIDS education. Last year, 11,257 individuals received certification in at least one of our courses.

The Red Cross also contributes to the development of the local workforce and economy by offering a nurse assistant training program. Approved by the NH Board of Nursing, the program prepares nursing assistants to meet state and federal requirements for certification for employment in home care, acute care, and long-term care facilities. As the elderly population continues to grow, the need for this type of employee will also.

The American Red Cross/Greater White Mountain Chapter provides these services to 61 communities in its jurisdiction, which covers more than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding; we are a non-profit organization that depends on charitable gifts of time and money from the American people to provide our services. We are proud to emphasize that 92 cents of every dollar goes toward direct service.

An appropriation from your town will help to ensure that the Red Cross can respond swiftly in times of tragedy, crisis and disaster.

Thank you for considering this request. Please contact me with any questions you may have.

Sincerely,

A handwritten signature in cursive script that reads "Denise K. Beauparlant". The signature is fluid and elegant, with a long horizontal flourish at the end.

Denise K. Beauparlant
Chapter Executive Director

GRAFTON COUNTY
Senior Citizens
COUNCIL

P.O. Box 433 • Lebanon, NH 03766-0433 • 603 / 448-4897 • Fax: 603 / 448-3906

**GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.
ANNUAL REPORT 1998**

Grafton County Senior Citizens Council, Inc. provides programs and services which support the health and well being of our older citizens and assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to make use of community based long term care services such as home delivered meals, senior dining room programs, transportation, care management services, information and referral, educational programs, adult day care, chore/home repair services, recreation and opportunities to be of service to the community through volunteering.

During 1998, 32 older residents of Monroe were able to make use of one or more of GCSCC's services, offered through the Littleton Area Senior Center. These individuals enjoyed 97 balanced meals in the company of friends in a senior dining room, received 134 hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources on 12 occasions by our lift-equipped buses, were assisted with problems, crises or issues of long term care through 6 visits by a trained social worker and found opportunities to put their talents and skills to work for a better community through 64 hours of volunteer service. The cost to provide these services for Monroe residents in 1998 was \$1,374.06.

Community based services provided by GCSCC and its many volunteers for older residents of Monroe were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors. As our population grows older, such support becomes ever more critical.

GCSCC very much appreciates the support of the Monroe community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Carol W. Dustin
Executive Director

North Country Council, Inc.

North Country Council at 25 Years
A Letter from the Executive Director

As North Country Council completed its 25th year of operation in 1998, we recalled working with the 279 local boards in the North Country in the completion of over 1300 projects since 1973. Starting as an organization that served five towns in 1973, NCC's membership now encompasses 47 towns, 23 unincorporated places and 2 counties, more political jurisdictions than any other regional planning commission in the state. With this growth in membership, we have seen some extraordinary changes in the last twenty-five years.

In 1973, a first class stamp was 8 cents. A local phone call involved dialing the last four digits of the number on a rotary dial phone. A telephone in a car was the stuff of Dick Tracy. Some of us had photocopy machines, nobody had personal computers yet alone fax machines. A hand held calculator was both a \$100 luxury and a technological marvel.

Hundreds in the North Country worked in shoe and glove factories; many more worked in wood products industries. Employees at Lincoln's paper mill outnumbered workers at Loon Mountain. Ski area operators prayed for natural snow. Snowmobiles were slow, awkward contraptions. A job at a local bank was a lifetime position, and those banks often made loans to established customers on a handshake. General practitioners delivered all the babies in the region; obstetricians and most other specialists were based in Hanover or further south.

Main Streets were dotted with Woolworths and Newberrys. Local dairies left milk in a metal box on your doorstep. Subsidized housing for elderly and families was a novelty. Industrial Parks were in the dream stage. Municipal sewage treatment plants were rudimentary, if they existed at all. At dusk, you could go to the local town dump and watch foraging bears. There were fewer than five master plans in all 51 North Country towns.

There were five traffic lights in the entire 3500 square mile region of the North Country. Except for an isolated section in Littleton, the four lane, 70 mph interstate ended in Lincoln. After 9 p.m., you couldn't buy gas or a cup of coffee north of exit 23. A long distance drive in Coos County after 9:00 p.m. meant utter solitude. Route 115 from Jefferson to Carroll was a trucker's ordeal. Congestion on Route 16 through the Conways was an occasional summertime annoyance.

We had no VCR's, no video stores and no satellite dishes. If we had any TV reception at all, we received channel 8 and a fuzzy channel 3. Few towns were equipped with cable and few of the people in those towns were connected to it. We packed gyms for basketball games and town halls for town meetings. Today, community gatherings are more sparsely attended. We gained ESPN, but we also lost something too.

It seems that, advances in communication and transportation made us less remote from the world but cruelly, they have made us more remote from our own communities. We are now more likely to e-mail someone across the country than we are to have our next door neighbor in for a cup of coffee. Big highways have brought us more visitors. Although they come more frequently, those visitors tend to stay for shorter intervals. Moreover, today's visitors seem to demonstrate less

**TOWN MEETING WARRANT
THE STATE OF NEW HAMPSHIRE**

THE POLLS WILL BE OPEN FROM 12 NOON TO 6:00 P.M.

To the inhabitants of the Town of Monroe, in the county of Grafton in said state, qualified to vote in Town Affairs: You are hereby notified to meet at Monroe Town Hall in said Monroe on Tuesday, the 9th (Ninth) day of March, next at 7:00 of the clock in the P.M. to act upon the following subjects: With the School business meeting preceding Town business meeting:

1. To choose all necessary Town Officers for the year ensuing. (By Ballot)
2. To see if the Town will vote to discontinue the plowing of driveways. (Majority Vote Required)
3. To see if the Town will vote to raise and appropriate the sum of thirty-two thousand dollars (\$32,000.00) to be added to the Municipal Highway and Fire Department Building Capital Reserve Fund previously established. For the purpose of engaging professional architectural and/or engineering firms to prepare building and site development plans for the Municipal Highway and Fire Department Building. The Selectmen & Budget Committee recommend this appropriation.
4. To see if the Town will vote to name the Board of Selectmen as agents to expend from the Municipal Highway and Fire Department Building Capital Reserve fund previously established.
5. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Monroe Water Department Maintenance Fund previously established. (Majority Vote Required).
The Selectmen & Budget Committee recommend this appropriation.
6. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be added to the Fire Truck Capital Reserve Fund previously established. (Majority Vote Required)
The Selectmen & Budget Committee recommend this appropriation.
7. To see if the Town will vote to raise and appropriate the sum of ten thousand (\$10,000.000) to be added to the Highway Department Truck Capital Reserve Fund previously established. (Majority Vote Required)
The Selectmen & Budget Committee recommend this appropriation.
8. To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be added to the Municipal Highway and Fire Department Building Capital Reserve Fund previously established. (Majority Vote Required) The Selectmen and Budget Committee recommend this appropriation.

9. To see if the Town will raise the one time amount of \$5,000 and transfer this amount to the Monroe Historical Society to become its museum endowment fund. Said funds will be used in the refurbishing of the former Monroe Grange Building for painting of roof and exterior, replacement panes of glass for window repair and purchase of materials needed to run the museum. The Selectmen & Budget Committee recommend this appropriation
10. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be added to the Town History Fund previously established. (Majority Vote Required) The Selectmen & Budget Committee recommend this appropriation.
11. To see if the Town will vote to eliminate the Clinic Committee.
12. Polling hours in the Town of Monroe are now 8 AM to 6 PM. Shall we place a question on the state election ballot to change polling hours so that polls shall open at 11 AM and close at 6 PM for all regular state elections beginning November 7, 2000? The Selectmen recommend this change.
13. Shall the provisions of Chapter 287 of the revised laws relative to playing Beano be adopted in Town?
14. To hear all reports of committees and officers heretofore chosen and pass any vote relating thereto.
15. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same. This money includes all warrant articles.
16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this fifth day of February, in the year of our Lord Nineteen Hundred and Ninety-Nine.

stewardship of the North Country. When people are less rooted in a place, they are less likely to invest time to make that place better. Yet, the changes and social upheaval we have witnessed cannot be blamed wholly on new technology and infrastructure.

Since 1973, Washington overhauled policies governing banking, energy, environment, international trade and myriad other aspects of our daily life. The impact of new legislation on “community fabric” and local enterprise was deep and far-reaching. Banks and health care providers changed drastically. Some towns sprouted second homes and condominiums while other towns clung tenaciously to mainstay manufacturers and watched those manufacturers decline, disappear or reinvent themselves entirely. Old jobs vanished and new ones emerged. During this time of pervasive economic and social change, NCC helped to write more than 40 master plans with our member towns to guide or limit growth or just to help a town get a handle on its destiny.

The North Country Council is not the same organization it was in 1973, anymore than your town is the same as it was. As your town and its needs changed over the years, our role and response has changed. For example, we will always advocate better roads, rails and trails, but now we endeavor to showcase local landscapes, history and cultural heritage, to get people out of their cars, and to encourage other modes of transportation. Changing times summon new initiatives. Twenty five years ago we worked primarily with municipalities in housing and community planning. Now we also work with social service organizations, health care providers, school districts and non profits to meet new needs. In 1973, our infrastructure work program was focused exclusively on sewer systems, water systems and storm drainage systems, to bring them into compliance with newly established federal regulations. Now, as challenges ranging from solid waste to economic development resist local solutions, our focus has become more regional. In 1999, one of our primary infrastructure goals is to strengthen community, build economic base, supplement our education and health care delivery and encourage a well-informed citizenry by upgrading telecommunication capacity in the region.

The last twenty-five years left NCC with rich legacies. We have an expert knowledge of the North Country and its interface with Concord and Washington. Half of the staff at the Council are North Country natives and the other half have lived here more than half of their lives. Our staff knows what works in the North Country and how to get things done. We have learned to seek incremental improvements through sharing information, evaluating policies, holding forums, building partnerships, linking agencies, informing citizens and state/federal officials, providing technical support and securing funds. Twenty-five years of experience has given us the knowledge and the technology to serve you better. These legacies are the promise of our next twenty-five years of service.

HOSPICE OF THE LITTLETON AREA

1998 ANNUAL REPORT

Hospice of the Littleton Area has completed its ninth year of providing volunteer services to residents of area communities. Our service area included the towns of Littleton, Bethlehem, Twin Mountain, Franconia, Sugar Hill, Easton, Lisbon, Lyman, Landaff, Monroe, Bath, Woodsville/Haverhill and Lincoln. In 1998 a total of 124 patients and families received services through our many support programs.

- Our Director and Hospice volunteers provided supportive care at home, in hospitals, and in nursing homes to 65 individuals and families coping with the advanced and final stages of illness. In addition, in November, our new Bereavement Care Coordinator and Bereavement volunteers provided support to twelve (12) bereavement care clients.

- Our Hospice Program also conducted five support groups which were free of charge and open to the public. The Cancer, Breast Cancer, Bereavement and our new Prostate Cancer and Infant Loss Support Groups offered a supportive and caring place to share feelings and experiences guided by a trained counselor. Forty-seven (47) individuals attended these support groups in 1998.

- Our organization was very pleased this year to again offer support to two (2) area programs. We continued to provide volunteer services to the North Country Home Health Agency's Medicare Hospice Program and we again offered supportive care to patients and families in the Hospice Room of Littleton Regional Hospital.

- Volunteers have over 1842 hours in the provision of services.

- Our Hospice conducts a yearly nine (9) week long, eighteen (18) hour Hospice Volunteer Training Program for individuals interested in becoming volunteers or in increasing their knowledge about Hospice Care. Twenty-five (25) people completed our 1998 Spring Training Program. We now have over 135 trained volunteers available to support area residents.

- Hospice was successful in obtaining grant money that will allow us to start a five (5) day a week van service to Dartmouth Hitchcock Medical Center for cancer patients receiving radiation treatment. That service is scheduled to begin in January of 1999.

- There is NO CHARGE to patients or families for the services of Hospice of the Littleton Area. This service is made possible largely through the generous support provided by the towns that we serve. Without the support of Town Funding we would be unable to continue to provide services to the many patients and families we serve.

- Your support of Hospice of the Littleton Area is greatly appreciated as we enter our tenth year of providing care to residents of area communities.

Respectfully submitted,

Holly Lakey, Director

1998
WHITE MOUNTAIN MENTAL HEALTH AND DEVELOPMENTAL SERVICES
DIRECTOR'S REPORT
Town of Monroe

Highlights of 1998:

1998 was a year of challenges and achievements for our organization.

We were challenged by decreasing revenues and increasing demands for our mental health services. In these difficult times, the need for our services continues to escalate. More often than we would like, we have been forced to ask people requesting non-emergency services to wait for appointments with our outpatient clinical staff. At any point during the year, approximately 850 people are being seen on an active basis. We are continually striving to offer quality services in a responsive manner at a cost which local families can afford. The contributions of the twenty-two towns we serve are crucial in this effort.

Our developmental services staff also face challenges in continuing to individualize the supports we provide. Making choices regarding one's own life may seem like a basic part of living, but is relatively new to persons with a developmental disability who may have spent much of their lives in an institution where choices were made for them. Assisting individuals in the process of connecting with the community as a unique person with hopes, needs and desires often requires a great deal of patience and creativity.

Our achievements have included obtaining the highest possible level of accreditation, a three year accreditation, from the Commission on the Accreditation of Rehabilitation Facilities (CARF). In its report, CARF commended the agency for our "outstanding program quality". We have also been successful in continuing to offer local services at our three satellite offices in the towns of Woodsville, Lincoln and Lancaster. We have strengthened many partnerships with schools, hospitals, social service agencies and other community services in these towns during the past year, and we greatly appreciate their support, flexibility and cooperation.

Service Statistics:

During 1998, **10 Monroe residents received 613 hours of service**. These residents were either uninsured or under-insured, and were not able to pay the full cost of services. Our services include:

- 24 hour emergency service
- individual, group and family therapy
- outreach services to severely emotionally disturbed children and their families
- in-home support and treatment to elders
- substance abuse counseling
- experiential, activity based program for adjudicated adolescent boys
- psychiatric assessment and medication
- psychological assessments
- housing, vocational, and case management services to persons with severe mental illness

Thank you for your contribution to our services.

Respectfully Submitted,

Jane C. MacKay LCSW
Area Director

1998 REPORT OF SERVICES
NORTH COUNTRY HOME HEALTH AGENCY, INC.

TOWN OF MONROE

Each year, home health care plays a larger role in providing community-based health care services and programs. Increasing numbers of people prefer to receive their health, medical and supportive care and services outside the hospital or nursing home. These people include seniors who need help to stay in their own homes, adults who are caring for aging relatives, young people with chronic illnesses and people of all ages who are discharged following always briefer hospital stays.

North Country Home Health Agency (NCHHA) nurses, therapists, aides, homemakers and companions assist people who are recuperating from surgery, individuals coping with chronic illnesses and families and community members caring for loved ones and friends. Expensive hospital stays are reduced, moves to nursing homes are eliminated or delayed and families are supported through the competent and comprehensive care provided by NCHHA staff. By attending to the needs of the uninsured and underinsured, NCHHA is helping contain town and country health care expenses.

In 1998, NCHHA, like other low-cost and efficient home care agencies, was faced with severe reductions in Medicare reimbursements. Our greatest challenge became addressing our priority to provide essential services to all, regardless of their ability to pay. Thanks to town support, county and state grants, individual donations, and a modest reserve fund, NCHHA continues its 27-year tradition of responding to the home health care needs of North Country residents.

Explanation of Services:

Skilled services - shorter hospital stays and new technology allow many treatments to be done in the home, provided and administered by skilled professionals, such as nurses and therapists.

Supportive Services - Home health aides, homemakers, and companions ensure ill and disabled people can live in healthy households, have clean clothes, nutritious meals and help in their daily lives.

Hospice - a holistic, family-supportive, medically directed, team-oriented program that seeks to treat and comfort individuals and families coping with terminal illnesses.

Community Education - an essential element of home health care's success is the emphasis on education, giving individuals and families the knowledge necessary to actively participate in their care. This approach is duplicated in the wider community through educational programs and health screenings.

Services provided to residents of the Town of Monroe in 1998 included 1442 visits by nurses, therapists, aides, homemakers and companions.

Additionally, NCHHA provided 55-health screenings and clinics to the public in 1998. Approximately 1350 individuals participated in these preventive health programs.

North Country Home Health Agency; Supporting You, Alongside Your Family and Physician

Respectfully submitted,

Mary E. Ruppert, Executive Director

**Monroe School District
School Warrant
The State of New Hampshire**

To the Inhabitants of the School District of Monroe in the County of Grafton,
State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Monroe Town Hall in said district on the 9th day of March, 1999, polls to be open for the election of District Officers at 12:00 o'clock in the morning and to close not earlier than 6:00 o'clock in the afternoon. Action on all remaining articles to commence at 7:00 o'clock in the afternoon.

- ARTICLE 1: To choose, by non-partisan ballot, a Moderator for the ensuing year.
- ARTICLE 2: To choose, by non-partisan ballot, a School District Clerk for the ensuing year.
- ARTICLE 3: To choose, by non-partisan ballot, a Treasurer for the ensuing year.
- ARTICLE 4: To choose, by non partisan ballot, two School Board members, each for a term of three years.
- ARTICLE 5: To hear the reports of Agents, Auditors, Committees or officers chosen, and pass any vote relating thereto.
- ARTICLE 6: To see if the district will vote to raise and appropriate the sum of \$39,506.00 for the purpose of reducing the 1998-99 general fund deficit pursuant to RSA 189:28-a. (The School Board recommends this appropriation.)
- ARTICLE 7: To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town. This Article is exclusive of any other Article on the Warrant. (The School Board recommends \$1,596,933.00.)

ARTICLE 8: To see if the district will vote to approve the cost items in the collective bargaining agreement reached between the Monroe School Board and the Monroe Education Association/NEA-NH which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase Over Proposed Budget</u>
1999-2000	\$ 23,434
2000-2001	\$ 14,381
2001-2002	\$ 18,982

And, further, to raise and appropriate the sum of \$ 23,434.00 for the fiscal year 1999-2000, (such sum representing the cost attributable to the adjustment in salaries and benefits during the 1999-2000 fiscal year over those of the appropriation for that fiscal year. (The School Board recommends this Article.)

ARTICLE 9: To see if the district will vote to raise and appropriate the sum of \$17,470 for the purchase of technology hardware, software and professional development to implement the Monroe School-Community Technology Plan which integrates technology throughout the K-8 educational program. (The School Board recommends this appropriation.)

ARTICLE 10: To transact any other business that may legally come before said meeting.

Given under our hands at said Monroe this ____ day of February, 1999.

Laurie Boswell, Chair

Robert Regis

Terry Gorham

Deborah Sanders

Cindy Frazer

MONROE SCHOOL BOARD

**Minutes of the Monroe School District Meeting
March 10, 1998**

Polls open at 12:00 noon and declared closed at 6:00 P.M. by Moderator Leslie Morrison. School District Meeting was open by Moderator Leslie Morrison at 7:03 P.M. Flag salute was led by Moderator Leslie Morrison followed by the invocation given by Rev. Thomas of Monroe.

Moderator Leslie Morrison reported of the non-partisan balloting for the ensuing year as follows:

- ARTICLE 1:** Monroe School Moderator--elect Leslie E. Morrison with 254 votes
- ARTICLE 2:** School District Clerk--elect Elizabeth J. Ward with 240 votes.
- ARTICLE 3:** Monroe School Treasurer--elect Laurel A. Gibson with 241. Write in Kathy Thomas with 1 vote.
- ARTICLE 4:** Monroe School Board--elect 2 Members with a 3-year term--
Elected Terry Gorham with 156 votes and Deborah Sanders with 99 votes. Other Candidates on the ballot was Debra Clough with 62 votes and Kevin T. Eckerman with 87 votes. Write-ins were Denis Ward 57 votes, Harold Whipple with 5 votes, Winston Currier with 1 vote and Doc Belyea with 1 vote.
- ARTICLE 5:** All reports of Agents, Auditors, Committees or officers chosen were except as written by Laurie Boswell and second by Denis Ward.
- ARTICLE 6:** Denis Ward made the motion to raise the Budget amount of \$1,436,730.00 as stated in this article and second by Laurie Boswell. This article was passed with a voice vote.
- ARTICLE 7:** Motion was made by Denis Ward to accept this article of \$23,379.00 for the purchase of 20 Apple computers plus technology hardware, software and professional development to implement the Monroe School Community Technology Plan and was seconded by Laurie Boswell. Discussion by Gerry LaFlamme against, Merle Jones spoke in Favor with explanation by Lotha Riba of the Budget Committee. This article was Defeated by Voice vote.
- ARTICLE 8:** Melody Morrison made the motion to withdraw from SAU 23 as the article is written and was seconded by Larkin Burrill. Members of the Feasibility committee answered concerns about withdrawal. Motion was made by Debra Clough to move the question and was

seconded by Merle Jones. A ballot vote show in favor by 130 votes to opposed 57 and 1 spoiled vote for a 188 total ballot cast.

ARTICLE 9: Motion was made by Debra Clough to accept this article as written and second by Terry Gorham. Explanation on this article was made by Debra Clough that it was to send a message to let the legislature know that Monroe supports the adoption of legislature, currently being considered in House of Representatives that would allow parental choice of public and private schools. This article was defeated by voice vote.

ARTICLE 10: Lotha Riba compliment the School Board on state assessments. Laurie Boswell thanked Denis Ward for the hard work of the 6 years that he was on the Board. Denis responded with thanks and to state that we had a Good Principal, Good School Board and Good Teachers at Monroe School. Swearing in for Officers will be Tuesday, March 17 at 7:30 P.M. Motion was made by Merle Jones to adjourn the meeting and second by Larkin Barrel. Meeting adjourned at 8:52 P.M.

Respectfully submitted,
Elizabeth Ward
School District Clerk

Minutes of the Monroe School District Meeting
Special School Meeting
June 22, 1998

Meeting was open at 6:00 P.M. by Moderator Leslie Morrison.

Moderator Leslie Morrison read the posted warrant which they had posted at the Monroe Town Hall.

ARTICLE 1: To see if the Monroe School District will vote to approve the cost items included in the collective bargaining agreement reached between the Monroe School Board and the Monroe Teachers Association/NEA-NH which calls for the following increases in salaries and benefits:

YEAR	Estimated Increase Over 1996-97
1997-98	\$ 9,578.00
1998-99	18,862.00

No additional appropriation is needed to fund this agreement. (The School Board recommends this article.)

Moderator Leslie Morrison made mention that the person who posted the warrant did not sign the warrant and a Notary Public did not sign it. Moderator Leslie Morrison also made mention and warned that this article was illegal as it had to be signed by a judge. Moderator Leslie Morrison also said we had to choose: 1st. Was to say that the meeting was illegal and start over at step one, and 2nd: that we could go on with the meeting as it was.

School Board Member Laurie Boswell made motion to act on the article and was 2nd by School Board Member Cindy Frazer.

Discussions were concerns about DRA problems, the warrant was illegal, about Town Tax Rates. Superintendent Linda Nelson made mention of two types of getting monies. A non-Money increase, and 2nd a money raising. Explained that this was not raising money--just using Surplus.

Moderator Leslie Morrison asked if anyone wanted to challenge whether the article was illegal or illegal?

Moderator Leslie Morrison ask for vote on article. Article passes.
Laurie Boswell made motion to adjourn meeting. Meeting adjourned at 6:20 P.M.

Respectfully submitted,

Elizabeth J. Ward
School District Clerk

School Administrative Unit #23

Report of the Superintendent's and Business Administrator's Salaries

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the Superintendent and Business Administrator.

One-half of the School Administrative Unit expenses is prorated among the school districts of the Unit on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of SAU #23 during the 1998-99 school year will receive a salary of \$70,000. The Business Administrator position is a contracted consultant service for \$18,000. Both are prorated among the school districts. The table below shows the proration of the salary to each school district:

1998-99		
Superintendent Salary		
Bath	\$6,895	9.85%
Benton	\$1,036	1.48%
Haverhill Cooperative	\$38,668	55.24%
Monroe	\$12,075	17.25%
Piermont	\$5,726	8.18%
Warren	\$5,600	8.00%
TOTAL	\$70,000	
Business Administrator Contracted Consultant		
Bath	\$1,773	9.85%
Benton	\$ 266	1.48%
Haverhill Cooperative	\$9,943	55.24%
Monroe	\$3,105	17.25%
Piermont	\$1,473	8.18%
Warren	\$1,440	8.00%
TOTAL	\$18,000

TO THE SCHOOL BOARD AND CITIZENS OF MONROE, I SUBMIT MY FOURTH ANNUAL REPORT

This is my final report as the SAU 23 Superintendent of Monroe Consolidated School District. In March, 1998, District voters approved an Article to withdraw from SAU 23 and to establish Monroe Cooperative School District as a separate SAU. The Monroe Feasibility Study Committee, Melody Morrison, Terry Gorham, Cynthia Stanton, April Brown, Phyllis Knights, Thomas Bedell, Robert Regis and Linda Nelson submitted a plan to the State Board of Education in December, 1997. The Plan was subsequently approved and the new SAU 77 was established, with July 1, 1999 as SAU 77's first formal day of operation. While four of five School Board members did not endorse the withdrawal proposal, the School Board, under the leadership of Laurie Boswell, Chair, has worked diligently to carry out the decision of District voters to establish SAU 77.

The March meeting saw a School Board change of membership. Denis Ward, who ran as a write-in candidate, was not re-elected. Deborah Sanders was elected as a new Board Member. Terry Gorham was re-elected. The entire Board has met frequently throughout the year to plan for the transition to SAU 77. The budget that follows contains their best estimate of the costs of a new SAU. The Feasibility Committee made it clear to the town that the establishment of a new SAU was to restore local control of Monroe education to the town of Monroe. It was not intended as a cost savings. First year start up costs will total approximately \$101,000, with continuing costs estimated at approximately \$84,000. However, because the position of Principal of Monroe may be established as a ½ time Principal and ½ time Superintendent, salary costs for Principal would be reduced by half. This would bring the SAU 77 operating costs close to those which would have been incurred by remaining in SAU 23.

The School Board has successfully negotiated a new three-year teacher contract with the Monroe Consolidated Teacher Association - NEA/NH. An Article supporting the settlement is on the Warrant for voter approval.

The academic program of Monroe School continues to thrive. The addition of a reading specialist, Dr. Jacqueline Verville, allowed the school to assess every student for reading level attainment. Faculty have put this information to good use in planning appropriate programs. Principal David James worked with faculty and staff to earn two important grants for Monroe. A New Hampshire state nutrition grant allows students hands on experience in learning about health issues. A grant through the Silvio O. Conti Wildlife Fund provides substantial support for the outdoor leadership and environmental study program that the faculty and staff have developed on the land donated for

school use by Jeanne and Denis Ward. The Hundred Acre Wood, as the project is aptly titled, will be a model for environmental study in the North County.

Classes that combine grade levels were a source of controversy with parents, although students seemed to thrive in the second-third and third-fourth classrooms. This configuration was changed for the 1999-2000 school year at the recommendation of a parent-school board-faculty committee. The budget that follows establishes a separate kindergarten and separate third and fourth grade classrooms.

With the resignation of David James as Principal, the School Board has advertised for both a Principal and a Principal/Superintendent position. The skills of the most qualified applicant will determine the final administrative configuration of the school and SAU 77. A transition of Monroe's financial software from SAU 23's Compusense to the new NEMRC financial package will begin soon. In short, plans for the new SAU are progressing.

In this final report, I thank the many people in Monroe with whom I have worked over the past seven years. I have enjoyed watching Monroe School faculty and staff work through important changes while maintaining their commitment to excellent education. In particular, I thank Denis Ward for his leadership of the Monroe and SAU 23 School Boards. His vision of education and understanding of the role of a School Board in guiding a school will, I hope, continue to benefit Monroe students and families.

On behalf of the SAU 23 School Board, I wish Monroe Consolidated School and the new SAU 77 every success.

Respectfully submitted,
Linda J. Nelson
Superintendent

MONROE CONSOLIDATED SCHOOL
Report of the Principal
1998-1999 School Year

The 1100 section of the school budget reflects costs related to the instructional program. This budgeted amount is reflective of the following school population and configuration.

Half time Kindergarten - 10 Children

Grade 1 / 2 - 5 / 5

Grade 3 - 8

Grade 4 - 7

Grade 5 - 10

Grade 6 - 11

Grade 7 - 15

Grade 8 - 20

This configuration was influenced by interested parents and community members who participated in two different surveys and a public meeting to state their opinions about what makes an effective school. The results from gathering the information was clear. Those that responded supported small classes either self contained or multi-grade as long as the grades within a multi-grade were not split. The respondents were very careful to praise our professional staff for their work while at the same time clearly communicating their opinions.

The teachers and administration recommended this configuration to the school board after the fact finding activities. The school board supported the recommendation.

The primary teachers continue to fine tune the student reporting system to parents., The portfolio format has been enthusiastically accepted by parents of primary children. There have also been parent/teacher conferences. These two activities give parents a complete picture of the progress of their children in school. The teachers have appreciated the support of parents who not only read with their children at home but are active in home/school activities. Naturally, parents are encouraged to arrange conferences with teachers whenever there are concerns.

The teachers of grades 5, 6, 7, & 8 have also continued their work in refining a new report card and reporting process. Parent comments have been valuable in making adjustments to the report card format. Parents have also been invited to parent/teacher conferences during the school year. This affords parents the opportunity to ask questions about their child's performance and program.

The multi-year technology plan is in need of revitalization. The Technology Committee is recommending the replacement of the Macintosh and Apple IIE computers in the computer lab. The plan is to purchase twenty-six reconditioned IBM computers and six printers. Twenty of these computers will replace the outdated equipment in the present computer lab. The computers will be networked together with three printers in the lab. The remaining computers and printers will be distributed to the Junior High School and library. The replacement computers will allow more students a greater capabilities to create enhanced documents for classroom projects. These computers will also accept more sophisticated software that will challenge students to higher levels of competence in the computer skills continuum. The replacement computers will not be networked with the Internet.

The 100 Acre Project is gaining support within our community and regional area. Information has filtered to many other such projects in New England. Telephone inquiries are being made as to the status of our project. A brief synopsis follows.

The 100 Acres Project is focused on these tenets:

- To provide ecosystem management training for Monroe School staff so they in turn can enrich students perspective on the importance of a stable and healthy environment.
- To provide students with hands on stewardship education projects that connect with all areas of the New Hampshire Educational Frameworks.
- To instill in the Monroe community the importance of protecting our environment by using best practices as established by the U.S. Department of Interior, New Hampshire Department of Natural Resources, Grafton County Extension Service and good common sense.

A 100 Acre Wood Steering Committee comprised of school staff and interested community members will be established to guide the development of the forest program through shared commitment and decision making. The Monroe Garden Club along with other individuals have expressed an interest in helping with this project.

The 100 Acre Wood project is a result of the continued interest of the professional school staff, participation at the Vermont Leadership Center in Island Pond, VT., and the generosity of Denis Ward in allowing the use of seventy-seven acres of land off Smutty Hollow Road.

Monroe Consolidated School has received a grant from The Silvio O. Conte National Fish and Wildlife Refuge Challenge Cost Share Program in the amount of \$9,000.

This funding will be used primarily for the training of school staff and students, acquisition of materials, and the use of consultants for the project.

We will be working very closely with the Vermont Leadership Center in this endeavor. Citizens of Monroe that wish further information may inquire at the school.

Barbara Sanders also received a nutrition grant in the amount of \$3,079 for the school district. The purpose of the grant is to analyze the quality of students choices relative to snack and meal choices. The initial survey will be followed up by instructional lessons and food preparation demonstrations for children in grade 5 through grade 7. The school district extends its appreciation to Barbara for her expertise and caring spirit.

Please feel free to visit your school at any time.

Respectfully submitted,
David James, Principal

MONROE CONSOLIDATED SCHOOL
School Nurse Report
School Year of 1997-1998

The screenings were done this school year at the Monroe Clinic by Dr. DeFrahn and her staff. The immunization audit was completed and sent into the State of New Hampshire with 100% update immunizations. Screenings for vision were done and there were five referrals. Hearing screenings were also done with these referrals.

Thank you to all for participating in the health care program.

Respectfully Submitted,

Gayle Wormer, RN
School Nurse
